

Everyone should bring:

1. \$50 CASH deposit for damage and losses
2. Tennis (Walking) Shoes and sturdy sandals (the sidewalks get very, very **hot** and we walk a lot!
4. Comfortable Clothes (shorts, t-shirts). Casual is good. You don't need any dressy or formal clothes. Tend toward the modest side of style, both because we will be in close quarters, the faculty deserve your respect, and the buildings can get cold.
5. Sunglasses and Sunblock, maybe a hat
6. insect repellent
7. Pens, pencils

Overnight students should also bring:

1. Pillow if you use one
2. Sheets (twin beds)
5. Light Blanket (there's no thermostat in the bedrooms so you might get cold at night)
6. Towels
10. Swimsuit
11. Toothbrush and toothpaste
12. Soap, toiletries
14. Keychain

You can use the washer & dryer in the dorm on the weekend.

Things you might like to have:

1. A camera
2. Medications (in addition to prescription medications, any non- prescription items that your family authorizes you to have (like aspirin, Midol). Of course, we have a first-aid kit and will take you to the local hospital for emergencies, but we will not supervise medications.
3. Other stuff you know you'll need, from past experience – Band-aids? Snack you can't live without
4. Pocket money for souvenirs or other delights
