Dear Parents of Symposium Participants:

We are very excited to meet your sons and daughters. This year's program looks to be an excellent mix of learning, practicing, and fun. If your child has not yet filled out the information sheets, please ask that it be done right away and mailed, emailed, or faxed to us.

There is a packet of forms that you need to sign. You may have already received these via email. These are standard at the University for summer programs. We need these forms in order to take care of your child in the event of an emergency, of course. We also need these forms if we are to allow your child to fully participate in all the activities of the symposium – to meet a legislator in the Capitol, visit a museum off campus, or shop in the stores that border the campus. Please sign these and mail them right back if you have not done so already.

Summer programs are not cheap, and your children are precious. There are no profits here. Our mission is to provide the highest quality instruction available for a reasonable price. All funds go to support the UT Project in Conflict Resolution. Here are our pledges to you: We pledge 24 hour professional supervision of your child. We pledge a program of high intellectual content and stimulation. We pledge a mentor-student ratio of 1-6.

Sincerely,

Dr. Madeline M. Maxwell
